

CREATION MOMENTS

Proclaiming Evidence for Truth

THIS WEEK'S CREATION MOMENT

God's Unlimited Generosity

Read Psalm 35:18

There is nothing our Creator God does that is not intended to bring us closer to Him. Why? Because His purpose in making humans was to make someone to love. We exist because He wanted to love us and be loved by us.

There is nothing visible or invisible that is not meant to be of service to us. Consider the

invisible angels that protect us. They rejoice when even one person turns to faith in Jesus Christ as Lord and Savior.

Consider the heavens above our heads. There God placed billions of stars – some much larger than our sun. There are giant pinwheel galaxies with millions of huge stars. Countless billions of stars churn out more energy every second than we can ever hope to measure. What a lavish and beautiful timepiece to tell us when it is time to plant and time to harvest! God has given us more than the necessities of life. He has also hidden medicines within the bark of trees and the sweet-scented flower. He has filled that creation with splendor and beauty.

However, we cannot neglect to mention His greatest and most generous gift. When we sought our will instead of His, we withdrew our love from Him. His response was to send His only Son, Jesus Christ, to suffer our punishment for sin on the cross. And He rose from the dead on the third day so that we could have new life with our Creator again. Oh, that our thanksgiving to God could be as unlimited as His generosity!

Prayer: How can I offer You a gift that is suitable to show my thanksgiving to You for Your generosity? Even my life is a pittance compared to Your gifts. Yet, that is all You ask. Fill me with joy in giving You my life. Amen.
